

# MOHAMMED ALTAMAS

MERN FULL-STACK

PHONE : 7729828230

EMAIL : mdaltamas133@gmail.com

## SUMMARY

Enthusiastic, detail-oriented MERN Stack Developer with one year of experience in developing, deploying, and maintaining full-stack web applications. Proficient in JavaScript, with a thorough understanding of the MERN stack (MongoDB, Express.js, React, Node.js), previously demonstrated with a strong understanding of it. Demonstrated skills in building responsive, scalable, and efficient applications that are clearly written and easy to maintain.

## WORK EXPERIENCE

April 2023 - December 2024

### TEKISKY PVT LTD

- Developed and maintained responsive web applications through React.js, thus perfecting the user interface for better performance. Besides that, the website supports customers through any device.
- Utilized the sophisticated features of React, including hooks and the context API, to build reusable components and handle state efficiently in a very careful manner, thereby enhancing the maintainability of the code by 30%.
- Collaborated thoroughly with the design teams to roll out UI/UX of accurate designs and ensuring consistency, and was praise-worthy for achieving a 95% satisfaction rate from user feedback on smooth front-end enhancement.

## TECHNICAL SKILLS

- **Frontend:** React.js, JavaScript (ES6+), HTML5, CSS3, Bootstrap, Tailwind CSS, Redux
- **Backend:** Node.js, Express.js
- **Database:** MongoDB, Mongoose
- **Version Control:** Git, GitHub
- **Other Tools:** RESTful APIs, JSON, Postman, Webpack, Responsive Web Design, JWT Authentication

## ADDITIONAL SKILLS

- State Management: Context API, Redux Toolkit, MobX
- UI/UX Design Tools: Figma, Adobe XD, Sketch, InVision
- CSS Frameworks & Preprocessors: SASS, SCSS, Tailwind CSS, Styled Components
- Performance Optimization: Code splitting, lazy loading, React.memo, useMemo, useCallback

## SOFT SKILLS

- Problem-Solving: Skilled in identifying issues and developing optimal solutions in web applications.
- Adaptability: Quick to learn new tools, frameworks, and industry trends to stay up-to-date with evolving technology.

## EDUCATION

MASTER OF COMPUTER APPLICATIONS

Chandigarh University

Pursuing

BACHELOR OF COMMERCE General

DR. B.R. Ambedkar University, Hyderabad

2019 -2022

INTERMEDIATE (M.P.C)

Kakatiya Junior College

2016-2018
